

Dr. Rajan Sankaran

Remedies with Rajan **The 12 most important means of his practice in application**

Homeopathy is a unique healing art that has inspired people all over the world for over 200 years. It is based on the idea that "like cures like". But what makes this method so special? It is the remedies - homeopathic medicines that have a profound effect on the body, mind and soul.

A prominent name in the world of homeopathy is Dr. Rajan Sankaran, a world-renowned homeopath with decades of experience. Dr. Sankaran has revolutionized homeopathy by not only deepening its principles but also developing new, innovative approaches.

His ability to understand the complex relationships between a person's individual experiences and the appropriate homeopathic remedies has made him one of the most sought-after experts.

With over 40 years of experience as a naturopath, Rajan Sankaran has successfully treated thousands of patients and inspired homeopaths all over the world. His methods, based on deep understanding of nature, the mineral, animal and plant kingdoms, have taken the practice of homeopathy to a whole new level.

Remedies are not just medicines. They are a mirror of our deepest inner issues. They help to release emotional blockages, relieve physical ailments and restore our inner balance.

Each remedy has a specific "signature" that affects different areas of life. It is as if each remedy tells a story that we must understand in order to find the appropriate cure.

The 12 most important remedies briefly summarized for you
